

# APPLYING FOR A MULTI-ANNUAL PASSEPORT-TALENT RESIDENCE CARD

Holders of long-stay visas marked "passeport-talent" must apply for a multi-year residence permit with the prefecture of their place of residence, within 3 months of their arrival in France. The duration of this residence permit will be equivalent to the duration of their hosting agreement.

Researchers wishing to stay in France beyond the expiry date of their residence card must apply for renewal with the prefecture of their place of residence four to two **months before** the expiry date of the residence card.

## DOCUMENTS TO BE SUBMITTED

Your file is to be submitted online at the following page:

<https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/>

The documents to be submitted are as follows:

- long-stay visa marked "passeport talent - L313-20-4";
- passport (pages related to marital status, validity dates and entry stamps);
- extract of birth certificate indicating filiation or full copy of birth certificate;
- if the foreigner is married and/or has children: spouse's residence card (or identity card), extract of marriage certificate, extracts of birth certificates of children indicating filiation (documents corresponding to the situation at the time of the request)
- proof of address less than 6 months old:
  - if tenant: electricity bill (or gas, water, landline telephone or internet service bill) or rental lease agreement less than 6 months old or rent receipt or housing tax statement;
  - if staying at a hotel: hotelier's certificate and bill;
  - if staying with an individual: dated and signed statement from the host, copy of his/her identity card or residence card, deed of ownership (or the host's statement of residence tax or copy of the rental lease agreement or the host's electricity, gas, water, landline telephone or internet service bill);
- e-photo;
- hosting agreement subscribed with a public or private body with a previously approved research or higher education mission;
- diploma at least equivalent to a master's degree.

Researchers will first receive confirmation of online document submission ("confirmation de dépôt"), then a certificate of extension that functions as a *récépissé* (temporary residence permit that serves as proof of file submission) called "attestation de prolongation d'instruction", and then they will be contacted to retrieve their residence permit. On the day of the appointment, researchers must pay a € 225 tax in the form of a tax stamp.

## INFORMATION ABOUT E-PHOTO

only professional photographers and approved photo booths such as photomats can provide photographs and a digital signature that are compatible with the visa request teleservice. They can be identified by a blue sticker that indicates "Agréé services en ligne ANTS" ("online approval services from the French National Agency for secure documents"). Once you have taken your photo, you will be asked to sign using a stylus on a tablet or touch screen. It is important to use your real signature and not just a period or symbol in order for your residence permit to be produced. Your photos will be printed in the same way as they are for a normal photo. You will also receive an individualised 22-number code. When you are filling out your online residence permit request form on the ANEF website, you need just indicate this number in order to link it to the photo and the digital signature.

## PURCHASE OF TAX STAMP

online at <https://timbres.impots.gouv.fr/> (save and print it). There is no need to buy a tax stamp (timbre fiscal) when you submit your residence permit request (the stamp may expire before use). It will only be requested when you receive your residence permit. Thus, you can purchase it just before retrieving your residence permit at the police headquarters (prefecture).
